- (a) Batai shai ïa kawei na ki buit kylla-ktien (Strategies of Translation) ïa kaba la tip kum ka 'paraphrase' ne kata kaba buh bujli ha kiwei pat ki kyntien.
- (b) Pynkylla-ktien sha ka Khasi ïa kane ka jingthoh balyngkot harum :
- "The environment includes everything which helps us live. Sunlight, trees, air, water, etc., are a part of our environment. Environment means an area in which we meet, live and breathe. It is one of the essential basic requirements for living beings. The environment is a natural resource that is given by nature. The environment not only gives us vital resources but also sustains our life."

★★★
